WE ARE STRICTLY A PUBLISHING HOUSE, NOT A LITERARY AGENCY.

**For Fiction & Non-Fiction (Novels, Short Story Collections, etc...)**

1. Currently accepting all genre fiction – Action, Horror, Suspense, Romance, Fantasy, etc...
2. Currently accepting specific non-fiction – War, Auto/Biography.
3. Please send QUERY LETTERS first before sending any complete work!!! (The “How to write a query letter...” template is on the Black Rose Writing [Contact/FAQ](#) page if you need help)
4. Once QUERY is accepted, then you can attach your manuscript as a word document (.doc) or paste the text in the e-mail itself. Black Rose Writing will clarify how much of your work (pages/chapters) they would like to receive after approval.
5. Do not send forwarding or mass e-mails, please make the e-mail personal and either directed to Black Rose Writing or Reagan Rothe.
6. E-mail all submissions to [creator@blackrosewriting.com](mailto:creator@blackrosewriting.com).
7. For mailed submissions, please note that we do not return material. Thank you for understanding, and please submit queries via e-mail if this is not acceptable.

**For Poetry**

1. Currently NOT accepting poetry.

Remember... Always Spellcheck! Nothing shows laziness and insults a publisher more than multiple misspelled words in your query or informative text.
