

Black Rose Writing

Submission guidelines...

WE ARE STRICTLY A PUBLISHING HOUSE, NOT A LITERARY AGENCY.

For Fiction & Non-Fiction (Novels, Short Story Collections, etc...)

1. Currently accepting all genre fiction – Action, Horror, Suspense, Romance, Fantasy, etc...
2. Currently accepting specific non-fiction – War, Auto/Biography.
3. Please send QUERY LETTER prior to sending any completed manuscript. (Query letter should be in the email text area, with synopsis of proposed book and author bio.)
4. Once QUERY is accepted, then you can attach your manuscript as a basic word document (.doc). Black Rose Writing will clarify how much of your work (pages/chapters) they would like to receive after approval.
5. Do not send forwarding or mass e-mails, please make the e-mail personal and either directed to Black Rose Writing or Reagan Rothe.
6. E-mail all submissions to creator@blackrosewriting.com.
7. For mailed submissions, please note that we do not return material. Thank you for understanding, and please submit queries via e-mail if this is not acceptable.

For Poetry

1. Currently NOT accepting poetry.

Remember... Always Spellcheck! Nothing shows laziness and insults a publisher more than multiple misspelled words in your query or informative text.
